

Florida lawmakers reconvene on June 1 to finish the state budget. They face the need to close the health care coverage gap or lose \$billions . Federal tax funds are at hand to expand health coverage to the poor. Please encourage your legislators to provide health care coverage to all.

830,000 without coverage  
3 - 6 people die needlessly daily because they don't have a doctor  
56,000 jobs generated by expansion  
62% of Floridians say Yes to expansion

*As a person of faith, I understand that our treatment of the weakest among us is the true moral test of society. Our health delivery system must be rooted in values that respect life, acknowledge human dignity and respond to the needs of the poor and vulnerable. As a resident of this great state, I support expanding access to health care coverage in Florida by using taxes we paid to Washington, ensuring accessible, quality health care for all.*
